To whom it may concern:

RE: Glenn Petersen

This letter is to acknowledge that Glenn Petersen has worked alongside with us, for over 6 years. We have called upon Glenn's services for a number of our gas and plumbing situations with our Commercial Kitchen Equipment. Glenn has always been eager to lend a helping hand to solve our problems.

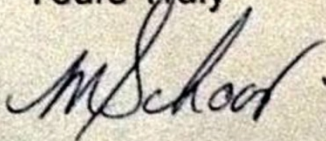

Glenn has been involved with us on a number of our large Hotel accounts, and has never let us down. Our customers are glad we have recommended Glenn for the job.

We have appreciated Glenn's' help and backup support and will be sorry to see him leave the Victoria area.

We wish Glenn the best in his new endeavors, and know that he will do well, no matter where he is located.

If you require any further information, please feel free to give me a call at (250) 478-4099

Yours Truly

Mark Schoor
